FOR IMMEDIATE RELEASE

Raz-Lee Security, Ltd. and Bartech announce Partnership

Herzeliya, Israel; Barcelona Spain (December 14, 2006) Raz-Lee Security, Ltd., a leading vendor of security solutions for the IBM System i, and Bartech, a company that specializes in distributing iSeries products in the Spanish market, announce the formation of a partnership between the two companies to market and support Raz-Lee's iSecurity software.

"Bartech comprises of experienced IBM midrange specialists, with more than 25 years of experience in the S/3X - iSeries market. Designing tools for the AS/400 System Performance.

We have always been looking for ways to penetrate the Spanish market. We are certain that partnering with Bartech we will succeed and quite quickly start seeing revenues from our mutual activity with Bartech. We are certain that the Spanish market will benefit from our iSecurity product suite", says Shmuel Zailer, Chief Executive Officer of Raz-Lee Security.

Hector Shekerdeman, the Director of Bartech adds: “We were very impressed with the depth and scope of Raz-Lee’s solutions. Our technical experts evaluated numerous security solutions, and concluded that Raz-Lee’s iSecurity products offer the most comprehensive security solution on the market. We feel that this partnership between Bartech and Raz-Lee will fill an immediate gap in the iSeries marketplace for security solutions. ”

About Raz-Lee Security, Ltd.
